SIR,

I have the honor to state that in regard to acting arrangements that could be made in a vacancy caused by the absence on privilege leave of an officer holding a substantive appointment and drawing a higher rate of pay in an appointment borne on the temporary establishment of an office the rules in the Mysore Service Regulations are not quite clear as to what allowance the absentee can draw during such leave and how far extra cost may be incurred in making acting arrangements. The rules as they stand are however being interpreted by this office as meaning that subject to the provision contained in article 175 Mysore Service Regulations, the absentee may, under article 172 of The Mysore Service Regulations be given leave allowances equal to the salary fixed for the temporary appointment if he has a lien on the same during privilege leave and that extra cost to the extent of the pay of the absentee's post on the temporary establishment may also be incurred for making acting arrangements. But as the drawing officers may act on different interpretations, I request that,

that, if the above view is held to be correct, the necessary additions or changes may be ordered to be made in the Mysore Service Regulations.

I have the honor to be,

Sir,

Your most obedient servant,

T. Satyaraj Chetty
Comptroller.
